

Psychosocial Support Services (Support Service)

HRSA Definition: Psychosocial Support Services provide group or individual support and counseling services to assist eligible people living with HIV to address behavioral and physical health concerns. These services may include:

- Bereavement counseling
- Caregiver/respite support (RWHAP Part D)
- Child abuse and neglect counseling
- HIV support groups
- Nutrition counseling provided by a non-registered dietitian (see [Medical Nutrition Therapy Services](#))
- Pastoral care/counseling services
