

Childcare Services (Support Service)

HRSA Description: The RWHAP supports intermittent child care services for the children living in the household of HIV-infected clients for the purpose of enabling clients to attend medical visits, related appointments, and/or RWHAP-related meetings, groups, or training sessions.

Allowable use of funds include:

- A licensed or registered child care provider to deliver intermittent care
- Informal child care provided by a neighbor, family member, or other person (with the understanding that existing federal restrictions prohibit giving cash to clients or primary caregivers to pay for these services)

Program Guidance:

- The use of funds under this service category should be limited and carefully monitored. Direct cash payments to clients are not permitted.
- Such arrangements may also raise liability issues for the funding source which should be carefully weighed in the decision process.

2018 Council Prioritization Ranking: 12 out of 16 service areas

Funded providers: Not currently funded by the council

Other sources of funding: MFIP (MN Family Investment Plan, MN's version of TANF- Temporary Assistance for Needy Families)
