

Health Education/Risk Reduction (Support Service)

HRSA Definition: Includes sharing information about medical and psychosocial support services and counseling with clients to improve their health status. Topics covered may include:

- Education on risk reduction strategies to reduce transmission such as pre-exposure prophylaxis (PrEP) for clients' partners and treatment as prevention
- Education on healthcare coverage options (e.g., qualified health plans through the Marketplace, Medicaid coverage, Medicare coverage)
- Health literacy
- Treatment adherence education

Year	2013	2014	2015
